What is TRACKS?

TRACKS is Florida Institute of Technology's account system that provides a single username and password for access to all university services granted to a user.

Current Students, Faculty and Staff

Your TRACKS account and password is used for:

- Email: [Exchange](#) (for faculty/staff) or [Gmail](#) (for students)
- [Access Florida Tech](#)
- [Canvas](#) (Learning Management System for students and faculty)
- [Computer Labs](#)
- Instructor Workstations
- All university computers joined to the FLTECH domain

Prospective Students

Your TRACKS account and password is used only for [PantherPass](#) (Online Check-in) and [PAWS](#) (Panther Access Web System).

Former Students (Alumni and Students who have previously attended Florida Tech)

Your TRACKS account and password is used only for [PAWS](#) (Panther Access Web System) and @my.fit.edu email provided by Google Applications. For former students who do not have a TRACKS account, please contact the Technology Support Center at (321) 674-7284.
