What is TRACKS?
TRACKS is Florida Institute of Technology's account system that provides a single username and password for access to all university services granted to a user.

Current Students, Faculty and Staff

Your TRACKS account and password is used for:

- Email: Exchange (for faculty/staff) or Gmail (for students)
- Access Florida Tech
- Canvas (Learning Management System for students and faculty)
- Computer Labs
- Instructor Workstations
- All university computers joined to the FLTECH domain
- Evans Library resources on campus and remotely (lib.fit.edu)
- Printing, scanning, copying

Prospective Students

Your TRACKS account and password is used only for PantherPass (Online Check-in) and PAWS (Panther Access Web System).

Former Students (Alumni and Students who have previously attended Florida Tech)

Your TRACKS account and password is used only for PAWS (Panther Access Web System) and @my.fit.edu email provided by Google Applications. For former students who do not have a TRACKS account, please contact the Technology Support Center at (321) 674-7284.
