Google Applications
What is Google Apps?

A bridge between our organization and Google products. On one side, we have communication and collaboration needs for our school. On the other side, there are successful, innovative, online personal Google products. Google Apps allows us to **embrace the strengths of both sides**.

For Students and Faculty these can be found in detail [Here](https://it-faq.fit.edu/it_faq/content/24/147/en/what-is-google-apps.html) with instructions on how to access them all.
