When do I get my Florida Tech email account?

**Students**

**Main Campus - Melbourne:**
Your mailbox will be created once your tuition deposit is processed. It could take anywhere from 24-72 hours for your deposit to process, depending on your financial institution.

**Extended Studies:**
Your mailbox will be created once you have been accepted into the program.

**Bisk Education:**
Your mailbox will be created once your application is processed and you are accepted. This can take up to 24 hours after you have paid for your course.

**Continuing Education (ABA/PDP):**
Your mailbox will be created once you have been accepted into the program. This can take up to 24 hours after you have paid for your course.

**Staff/Faculty**

Your mailbox will be created once Human Resources has completed processing all hiring paperwork and a start date is issued.

**Guests**

Your mailbox will be created once Human Resources has completed processing your guest role paperwork.
