How do I access my courses online?

The way in which you access your courses online depends on what program of study you are enrolled in. See below to confirm which Learning Management System (LMS) is the one you should use.

Canvas

The Canvas LMS can be accessed by going to either canvas.fit.edu or by going to fit.instructure.com with your TRACKS username and password. Canvas is used by the students in the following programs of study:

- Main Campus - Melbourne Undergraduate
- Main Campus - Melbourne Graduate
- Continuing Education (Applied Behavioral Analysis/Professional Development Program)
- Extended Studies

Florida Tech Online (Bisk)
