How do I subscribe to facforum?

There are two ways to subscribe to facforum:

1. The fastest way is to send a blank email message using your FIT designated e-mail address to:

facforum-subscribe@lists.fit.edu

There is no need to put anything in the subject line or body of the message.

2. The other option is to go to <https://lists.fit.edu/sympa/info/facforum>.

If you are using your TRACKS account to login, click the "TRACKS-CAS" button in the upper-right. This will bring you to the standard CAS page. Enter your TRACKS username and password to proceed back to the ListServer.

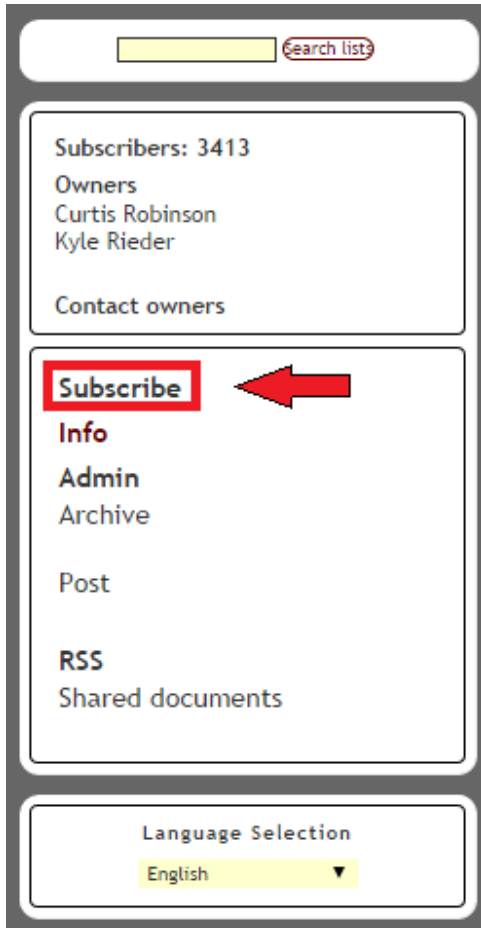

If you are using an external email to login, you will need to enter the email and password you used when registering to the ListServer into the fields shown below.

Once you have logged in, simply click the "Subscribe" button shown below.
